

# THE INDIAN PUBLIC SCHOOL

## Annual Report (June 2018 – March 2019)

### 1) Short Introduction

"Strength and Growth come only through continuous effort and struggle" true to these words The Indian Public School has successfully stepped into its second grand year with the continuous support from our management, parents, staff, students and well-wishers.

### 2) School Events and Activities

The academic year 2018 - 2019 has brought in various Clubs like the Literary Club, Eco Club, Art and Craft Club and the Quiz Club.

The students chose their Clubs, planned, organised and participated in activities enriching and promoting the club into different levels trying to reach its zenith.

The different Subject Enrichment Activities proved to be useful as they do learning based on activities which they come-across in their day-to-day life.

The multipurpose school-ground has motivated our young champions who ardently participate in mastering all the sport opportunities provided.

### 3) Celebrations & Festivals

#### - International Yoga Day

The International Yoga Day was celebrated on 21st July 2018. Students from Grade1 to Grade8 participated in the programme and presented different forms of yogasanas and we also planted 100 saplings to support a healthy environment.

#### - Ramzan

The Festival of Ramzan was celebrated by our students sharing the messages of sacrifice and sharing with the needy through inspirational speeches, melodious songs and a skit.

#### - Independence Day

- The Grade 7 students hosted the Independence Day Celebrations 2018 and presented beautiful dances, motivational speeches and performed a thought provoking skit to avoid junk food.

#### - Teachers' Day

A day to thank the candles, yes, the Teachers' Day was decorated with the students giving their best to make their teachers' Day.

#### - Diwali

The Grade 5 students decorated the school with their dazzling Diwali programme. The Day was bombarded with the lovely History of Diwali, an Enlightening Speech and a shower with a sensational dance.

#### - Children's Day

The season which is enthusiastically anticipated by all the students, the Children's Day, was the day when our trainers trained themselves to give their best to entertain us.

- Christmas

Marking the beginning of our winter vacation the Christmas Celebrations by the Grade 6 students brought to us an unforgettable programme carrying the message of love and sharing.

- Pongal

Commemorating the hardwork behind the harvest and the food we eat our students of Grade 8 had Celebrated the Pongal Festival with great fervour and joy spreading warmth of togetherness among their school-mates. They decked the day with songs, dance and a beautiful skit. The traditional games like uriyadi, silambam, tug of war and many more games proliferated a traditional flair in the air.

- Republic Day Celebrations

The Republic Day Celebration organised by the students of Grade 7 and 8 honoured the struggle of our fore fathers who had fought for the freedom of our country giving us a constituency for ourselves. The day was coloured with shades of nationalism unfurling with the flag. The students marched past the National Flag reflecting its grandeur pride followed by patriotic songs and dance.

#### 4) Field Trips and Excursion

Field Trips and Excursions have always paved way for learning through visual and audio aids in their natural environment.

The trip to the Andaman and Nicobar Islands and Goa in the month of August was a journey that has left us talk about the experience months after our return, it is our way out when we feel a bit down and an energy talk that lights all our nerves as we talk and share our heartfelt memories, recollecting the joyous moments we had.

We still expect to be a part of many more such trips organised by our management.

#### 5) Teachers Professional Development

Updating themselves and surpassing the professional expertise our teachers have been attending Orientations, Seminars and Workshops conducted by CBSE.

#### 7) Guest Visits

The School has immense happiness in taking our Guests around the school to show are resolute growth.

#### 8) Competitions

A little progress everyday adds up to great results. One may not have reached his destination yet, but he's closer than he was yesterday, to maneuver the creative thoughts in a positive way in our students, CCA competitions were conducted category wise. Students passionately participated in the Competitions adding points to their respective houses.

## Internal

- CCA : The Inter House Activities

The CCA gave our students a stage to actively participate in Adzap, Music, Recitation, Elocution and Debate, Flower Carpet, Just-a-minute and Vegetable impression and Pongal (Traditional Games).

## External

Four of our students from grade 7 and 8 have participated in the Quiz competition conducted by Kovai Vidhyashram.

- Sahodaya

Representing our school our students have participated in various events and have won prizes and have brought laurels to our school.

## 9) Parents Teachers Meet - (Open Session)

Our Parents Meet and Open Session with the School Management has helped our teachers to work more efficiently and guide each child in improving their knowledge.

## 10) Science Exhibition

The Science expo 'Sci Spectacles 2018' was a noteworthy event of the year. The students had reflected their souls in producing outstanding exhibits in all the subjects they had learnt.

## 11) Social responsibility

In order to inculcate empathy towards the fellow human beings and nature , a tree plantation spree was organized on the Environment day (June 5th) by the school , when the students of VI to VIII had planted trees on either side of the Panchayat road in order to create an avenue that will benefit the future generation. The ' Swatch Bharat Abhiyan ' conducted for one week during the Gandhi Jayanthi inculcated the requirement of cleanliness not only inside the school premises , but also outside it.

The students completed their exams well and were promoted to their respective higher grades. The school wound up for the academic year 2018-19 by March 30<sup>th</sup> , 2019.
